Dear Senator:

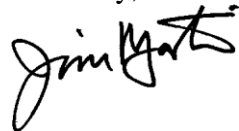

Soon you will vote on the McCain Motion to Commit with Instruction. This motion would commit H.R. 3590 to the Senate Committee on Finance with instructions to remove the extreme cuts to Medicare. I, and the 5.5 million supporters of 60 Plus, urge you to support this motion.

The Patient Protection and Affordable Care Act, H.R. 3590, is nothing of the sort to senior citizens. It would cut Medicare by \$500 billion. These cuts would harm seniors who have paid into the program and expect it to be there to help them with their health care needs.

At 60 Plus we pride ourselves on advocating for the best interest of seniors, and that is a "YES" vote on this motion. Restoring the cuts to Medicare is in the best interest of seniors, their children and their grandchildren.

Please support Senator McCain's motion to commit. All votes on this motion and other amendments pertaining to Medicare cuts will be among those considered a key vote for 60 Plus Association's 2009 Congressional Ratings.

Sincerely,

James L. Martin
President

P.S. Seniors will not forget who betrayed them if you don't vote YES on this motion.
